

# Native Seed Collections Species List

2008–2020

*Compiled by Liz Kellogg; updated 27 October 2020*

## **GRAMINOIDS – Grasses & Grasslike Species**

1. *Achnatherum robustum* – Sleepygrass – RMNP: Moraine Park
2. *Agostis scabra* – Hairgrass, Ticklegrass – BCPOS: Reynolds
3. *Adropogon gerardii* – Big Bluestem – Various BCPOS, OSMP properties
4. *Aristida purpurea* – Purple Three Awn – USFS Routt
5. *Bouteloua curtipendula* – Side Oats Grama – Peck Garden, various BCPOS, OSMP
6. *Bouteloua gracilis* – Blue grama – various BCPOS, OSMP
7. *Bromus anomalus* – aka: *lanitipes* aka: *Porteri* – Nodding brome – BCPOS: Pyrite, Grassy Top; RMNP: Kawaneeche valley
8. *Calamagrostis canadensis* – Bluejoint – RMNP
9. *Calamagrostis purpurescens* – BCPOS: Minnick
10. *Carex emoryi* – BCPOS: Pella, WW Mobil, etc.; JeffCo: Elk Meadow
11. *Carex hystericiana* – BCPOS: WW Mobil
12. *Carex nebrascensis* – BCPOS: various incl. Sadar, WW Mobil; Jeffco: Elk Meadow
13. *Carex pellita* – BCPOS: WW Mobil
14. *Carex praegracilis* – OSMP: Hogback Ridge area
15. *Carex utriculata* – JeffCo: Big Elk Meadow
16. *Carex vulpinoida* – BCPOS: along Hygiene Rd, near Sadar
17. *Danthonia parryi* – Parry's Oatgrass – BCPOS: Minnick, Peck
18. *Danthonia spicata* – Poverty Oatgrass – OSMP: Goshawk area
19. *Deschampsia cespitosa* – RMNP: Kawaneeche valley; DMP: Summit Lake
20. *Elymus albicans* – Montana wheatgrass – RMNP: Little Horseshoe park

21. *Elymus elymoides* – Squirrel tail, bottle brush – BCPOS: Meyers, various
22. *Elymus glaucus*
23. *Elymus trachycaulis*
24. *Elymus thurberi* – DMP: Summit Lake
25. *Glyceria grandis* – Mannagrass – BCPOS: WW Mobil
26. *Hesperostipa comata* – Needle & thread grass – various BCPOS, OSMP
27. *Hesperostipa neomexicana* – New Mexico feathergrass – BCPOS; OSMP: near HWY 36 & Neva Rd
28. *Koeleria macrantha* – Prairie Junegrass – BCPOS: Bald Mtn
29. *Leucopoa kingii* – Spike fescue – BCPOS: Meyers
30. *Muhlenbergia montana* – Mountain muhly – BCPOS: Meyers, Caribou Ranch; RMNP: Beaver Meadows entrance area & Little Horseshoe park
31. *Nassella viridula* – Green needlegrass – OSMP: Wonderland Lake & Marshall Mesa
32. *Panicum virgatum* – Switchgrass – BCPOS: Peck Garden; OSMP: various
33. *Poa secunda* – Sandberg bluegrass – USFS, ?
34. *Schoenoplectus tabernaemontani* – Softstem bullrush – OSMP: 63d/Arapaho
35. *Schizachyrium scoparium* – Little bluestem – OSMP: various
36. *Sorghastrum nutans* – Yellow Indiangrass – BCPOS: Peck; OSMP– various
37. *Spartina pectinata* – Prairie cord grass – BCPOS: WW Mobil
38. *Sporolobus heterolepis* – Prairie dropseed – OSMP
39. *Thinopyrum intermedium* – Intermediate wheatgrass – OSMP

## **SHRUBS**

1. *Ceanothus fendleri* – Buckbrush – BCPOS: Geer Canyon; RMNP: Moraine Park
2. *Cercocarpus montanus* – Mountain Mahogany – BCPOS: Hall Ranch
3. *Crataegus erythopoda* – Hawthorne – OSMP: South Mesa TH
4. *Ericameria nauseosa* – Rabbitbrush – BSCPOS: Hall Ranch & various

5. *Krascheninnikovia lanata* – Winterfat – BCPOS: E side Rabbit Mtn; Longmont: Sandstone Ranch
6. *Prunus americana* – Wild plum – BCPOS: Rabbit Mtn; various
7. *Prunus virginiana* – Chokecherry – BCPOS: Rabbit Mtn; Lory SP; various
8. *Purshia tridentata* – Antelope brush – BCPOS: Hall Ranch, Minnick
9. *Physocarpus monogynus* – Mountain ninebark – BCPOS: Betasso
10. *Rhus aromatica* – 3 leaf sumac
11. *Ribes cereum* – Wax currant – BCPOS: Geer Canyon, Meyers

## FORBS

1. *Adenolinum lewisii* – perennial Blue Flax – OSMP: Hogback Ridge area
2. *Adenolinum praetense* – annual Blue Flax – OSMP: Hogback Ridge area; BCPOS: Neva Rd area
3. *Artemesia campestris* – Field Sagebrush – BCPOS: Colp
4. *Artemesia frigida* – Fringed sage – BCPOS: Bald Mtn
5. *Artemesia ludoviciana* – Prairie sage
6. *Asclepias incarnata* – Swamp milkweed – BCPOS: Sadar, WW Mobil
7. *Asclepias speciosa* – Showy milkweed – BCPOS: various
8. *Dalea purpurea* – Violet Prairie clover – BCPOS: Geer
9. *Dracocephalum parviflorum* – American dragonhead – BCPOS: Reynolds
10. *Drymocallis fissa* – Leafy cinquefoil – BCPOS: Reynolds
11. *Erigeron divergens* – BCPOS: Heil, various
12. *Eriogonum alatum* – Winged buckwheat – BCPOS: southern grasslands
13. *Eriogonum flavum* – Sulfur flower
14. *Eriogonum umbalatum* – Sulfur flower – BCPOS: Meyers, Bald Mtn.; RMNP: Moraine Park
15. *Erysimum asperum* – Wallflower – OSMP: southern grasslands
16. *Gaillardia aristata* – Blanketflower – BCPOS: Peck & various

17. *Gutierrezia sarothrae* – Snake weed – OSMP: Hwy 36 & Cherryvale
18. *Helianthus nuttali* – Tall marsh sunflower – BCPOS: Suits, WW Mobil
19. *Helianthus pumilus* – Rough sunflower – BCPOS: Betasso; OSMP: Jewel Mtn.
20. *Liatris punctata* – Dotted gayfeather – BCPOS: Hall Ranch, various; OSMP: Greenbelt Plateau
21. *Monarda fistulosa* – Wild bergamot, Horsemint – BCPOS: Meyers, Heil
22. *Oxytropis sericea* – Rocky Mtn. loco – BCPOS: Stone Canyon
23. *Penstemon glaber* – Alpine penstemon – BCPOS: Reynolds
24. *Penstemon virens* – Blue mist penstemon – BCPOS: Reynolds
25. *Penstemon virgatus* – BCPOS: Peck
26. *Plantago patagonica* – OSMP: Sam's Lane, Marshall Mesa
27. *Psoraleidum tenuiflorum* – Slimflower scurfpea – BCPOS: Heil; OSMP: Marshall Mesa
28. *Ratibida columnifera* – Mexican hat sunflower – BCPOS: Peck; various
29. *Senecio spartoides* – Broom senecio – OSMP
30. *Sphaeralcea coccinea* – Scarlet globemallow – Longmont: Sandstone Ranch; BCPOS: Peck Garden
31. *Symphytotrichum laevis* – Smooth aster – OSMP: Brunning
32. *Symphytotrichum porteri* – Porter's aster – OSMP: Jewel Mtn.
33. *Thelosperma megapotamicum* – Wild tea – BCPOS: Stone Canyon
34. *Thermopsis divaricarpa* – Golden banner – BCPOS: Geer, various

## **ALPINES**

*Collected mostly at DMP's Summit Lake on Mount Evans, others at USFS Georgia Pass*

1. *Achnatherum lettermani* – Letterman's needlegrass
2. *Artemesia scopularum*
3. *Elymus scribneri* – Spreading wheatgrass
4. *Festuca brachyphylla* – Alpine fescue
5. *Festuca minutiflora*

6. *Geum rossii* – Ross's avens
7. *Hymenoxys grandiflora* – Old Man on the Mtn.
8. *Phacelia sericea* – Purple fringe
9. *Poa alpina*
10. *Silene acaulis* – Moss campion
11. *Trisetum spicatum* – Spike trisetum

**PARTNER KEY for species collection sites**

BCPOS: Boulder County Parks & Open Space

DMP: Denver Mountain Parks

JeffCo: Jefferson County Parks & Open Space

OSMP: City of Boulder Open Space & Mountain Parks

RMNP: Rocky Mountain National Park

USFS: United States Forest Service
